Dear Friend of Holy Family of Nazareth,

Did you attend a Catholic school as a child? Did your children benefit from a Catholic education? Maybe it was right here at Holy Family that your children began their educational and spiritual journey to adulthood. Today's economy and tight financial times make it difficult and sometimes impossible for families to benefit from the blessings and benefits of a quality Catholic education. Can you help? Can you join us in making a difference for our young children not only today but for a lifetime?

This year, we have a gift from generous donors who are challenging others to meet the total amount of their gift and thereby be able to double the benefit to Holy Family of Nazareth School. With a gift of \$50,000.00, they challenge other benefactors to contribute to increase that amount by another \$50,000.00 or more! A portion of the funds will be used at the school directly for scholarships for families of the parish in need as well as to support educational programs in the school.

Holy Family of Nazareth School has been providing a quality Catholic education for over 40 years. The administration and faculty strive to lead students to reach their full potential. The education made available at Holy Family of Nazareth Catholic School is a pre-K through 8th grade community that provides a well rounded, state of the art education rooted in a values centered environment for families aspiring to offer their children a positive experience in learning. Caring and experienced teachers partner with parents to utilize 21st century technology to guide the children to be life long learners and doers.

It takes more than tuition alone for Holy Family of Nazareth School to provide its unique educational experience. The school's existence is testimony to the devotion of Parish support and individuals, past and present, whose generous gifts of time, talent and money continue to support Holy Family's goals of quality Catholic education. This is a great time to make a gift that will enable families like yours to reap the blessings and benefits that have made such a difference in your lives. Pay it forward. Let others see the generosity so that they may grow and develop into quality Catholic people who, we pray, will in turn pay it forward to the next generation.

Thank you in advance for your generosity.

Sincerely yours,
